Race Day Reports:

We held a Kick Start day on Saturday 31st March with 6 new juniors attending and successfully completing their requirements. Thanks to the Snell family for providing the property to run the day, it was really appreciated. Thanks also to Lee for the organisation.

Correspondence:

Tamworth Junior Motocross Club thank you for our support.
MBF sponsorship for Pony Express.
Sport and Rec. reminder for renewal of track licence.

General Business:

First aid requirements info. received from MNSW, but it doesn't make it much clearer, not sure where to from here. S Ramage to investigate more, by talking to St Johns again. G Frost suggested we put together a safety record since we have been at Banaweera and also how we run events stating that we don't have multiple rider starts etc.

These first aid requirements are preventing us from running competition events at this point in time. Unless they are resolved there will be no competitive events this year. Any help on this matter would be appreciated.

Entry fees for Pony Express will increase to help cover the cost to have an Ambulance in attendance.

The Ambulance is not an option for the Northern Inland Sprint Series, as we could not cover the cost.

If you could spare some time to attend our meetings, your input and help would be appreciated!

NOTE: Dates have changed again
