# Junior Licencing

If you have raced under a one event (day) licence this year, you are still able to race by purchasing a one event (day) licence provided you apply to Motorcycling NSW for a logbook.

**You must present this logbook to obtain a one event (day) licence.**

**All juniors must present their logbook at race meetings.**

**“NO LOG BOOK – NO RACE”**

If you have any questions, please contact;

My name is Steve Carruthers and at the last two sprint days for the club, some of you may have found it hard to miss the guy with the camera (and some of you wild riders out there, quite literally!!).

I have been in Armidale for about 8 years and have only very recently started my own local small photography business. Please keep an eye out for me because I don't intend staying quiet now that I'm started with my photography! You've gotta be heard to be seen right?

I would sincerely like to thank the AMCC for the opportunity to photograph your events. I have gained some valuable experience and you have truly made an outsider feel very welcome.

The photos taken at the Sprint days on 7th May and 30th July can be viewed and ordered at Supermoto in Armidale (many thanks to Greg Frost!) until Saturday 19th August. So HURRY! or you may miss seeing them.

I would also like to remind everyone that, for every print sold, I am donating \$1 back to the AMCC, so every purchase you make is going to support your club! I have kept my prices reasonable compared to some of the competition in town and the delivery time for your photo's is very short - and right to your door I might add!

Prices are as follows:

4x6" - \$5

5x7" - \$10

8x10" - \$15

So, check out the shots so far, and please don't be a stranger next time you see me around.

Kind Regards,  
Steve
