Presidents Report 2006:

As my first year of president, I'd like to thank everyone for their support over the year, especially those of you that have given me plenty of guidance and advice when needed. Secondly, I'd like to thank all club members for their help, no matter how big or small your contribution, it all helps in the success of what we do!

We've had a great year as far as races are concerned with none being washed out which is an achievement in itself. Although senior numbers have been down a bit in the sprint series, all events have been successful and enjoyed by all that attended.

Thanks to everyone that helped out a couple of weeks ago at the working bee and turned the track back into a paddock! Here's hoping a new track for 2007 will attract some interest from seniors.

The big hurdle we have to overcome early next year is getting accreditation for some people as a level 1 coach to keep our juniors licenced. I'm sure we can do it. We also need to keep officials coming through and get as many people accredited as we can.

Spud has done a great job as secretary and thanks for keeping on top of things. It's a bloody big job.

Finally, a special thanks to Dan and Tash for all they've done over the years and all the best from the club for your coastal move. We hope to still see you racing up here in the future. Good luck.

All positions declared vacant.
