**Presidents Report;**

At the end of my 6<sup>th</sup> year as president, I'd like to thank everyone for their support over the year.

The Mackaway family and the Press family have been great again this year allowing us to use their land. It is very much appreciated by all our members and I don't think we can thank them enough.

We had a pretty good run this year as we didn't have to postpone any events, probably because we penciled in some extra dates just in case.

**Now for those people worth special mention;**

Richard has done a brilliant job as secretary again! Even though he spends much of his time out of Armidale and sometimes even out of the country, he still manages to keep on top of our paperwork. Thanks mate!

Frosty is full of..... knowledge and we'd be lost without his experience and advice. Not to forget the work he does as treasurer. Thanks Bra!

Lee & Simon again spent heaps of time with our junior riders this year and they should be commended because we get lots of glowing comments from their parents. A top job again this year!

Mick and Kate did a great job stocking the canteen at Bannaweera and Tumble Downs respectively, Thanks for making our lives easier.

Darren and the team that turn up at Tumble Downs and Gary and the team that turn up at Bannaweera, thanks for all your effort setting up for our race days. Many hands make light work!

Our lovely Scorers do a brilliant job, thanks from all us!

Dave and Mandy, thanks for all you've done. You'll be missed, but, I'm sure we'll still see you at the odd race!

There are plenty of others that should be mentioned because they are always there when needed and should be thanked, but I'd be sure to forget someone, so I'll just thank everyone for all they've done.

I've enjoyed another year as president because it's a great club be a part of!

Thanks  
Simmo

Frosty thanked Simmo and Richard added thanks to Larry.
