Correspondence:

- MNSW are yet to set dates for a coaches workshop but advise they hope to schedule one on northern NSW soon but despite our request for one on the tablelands it is likely to be at Coffs Harbour or Grafton. Attendees agreed that we need to try to get a group together and make the trip

General Business:

Coaching

- The club would like to thank the Stace family for the use of their property for coaching this weekend.
- The would also like to thank the demo riders supporting Lee – Gary Chorley, Sam Partridge, Tom Frost and Jared Courtney - and club members who are helping with the coaching.
- Lee would like to run 2 or 3 more of these coaching weekends through the year. Please let Lee know (6772 9551) when your children's Yellow Books expire.
- If you have a venue that would be suitable for running coaching (it does not need to be a licensed track) please contact Lee on 6772 9551.
- Lee is also looking into getting Mark Peacock back for an advanced (junior and senior) coaching weekend if there are enough people.

Enquiries

We were contacted by Daryl Stace who would like to sell coffee at our event. It was AGREED that this would not compete with our canteen and that parents are likely to enjoy a quality coffee during the colder months and as such we would be happy for Daryl to attend AMCC events.

Email from Kerry Rummery

Hi My name is Kerry Rummery, my son Nick is a member of your club and competes in the pony express & grass track rounds. He lost a good mate 3 years ago in a truck accident & I have been asked by his mate's mother about donating a trophy towards an event so it can be passed on each year to the winner. Would this be possible as he also was very keen on his motorbike riding and followed Nicks progress with great interest. Regards Kerry.

It was agreed that:

- to in-principle accept the offer of a perpetual trophy
- that it would be most appropriate for Grass Track Series as Nick rides that, rather than the NISS
- that we contact Kerry to see if she, or Nick, have a preference on what it should be awarded for but our preference is that all grades are eligible and that we have an objective way of allocation

Next Event

- Setup for NISS Round 1 will be Saturday at 1pm.

Next Meeting & Venue
