## Race Day Reports:

- NISS R1, excellent day with 73 riders. Plenty of people commented on how good the track was and with the conditions it got better as the day went on. Thanks to everyone who helped out to make the day possible. Special Thanks to Simon for looking after the Nippers. I'd like to thank Richard and Gary for making it possible for me to get out of official duties so I could race. I appreciate it and I had a ball.
