**Race Day Reports:**

We held a practice day on Sunday 29<sup>th</sup> April with some new juniors attending as part of the 27 riders for the day, which was great to see. We didn't have many seniors, which was probably because of our changing of dates and the changing back to a senior and junior day. Thanks to those that helped with setup and running the day. Thanks to G Chorley for getting the four-wheeler going so he could pack up the track.
