Race Day Reports:

NISS R3 ~ 80 Riders. Excellent numbers in 85cc and 65cc classes. Great day had by all.

Correspondence:

Email received from Kerry Rummery regarding the perpetual trophy we discussed at an earlier meeting this year.

- o Simmo to reply suggesting that we have a perpetual trophy for club champion which will be given for accumulated points across the sprint series and grass track series as opposed to a trophy for the grass track as there is likely to be many riders tied on max points with only 3 rounds.

General Business:

- MNSW coaching course – 30 April Coffs Harbour – Richard, Dave, Adrian and Simon attended.
- Thanks heaps to Simon Wall for cleaning up the Pony track and the sprint track with his bobcat.
- Thanks to Gary for helping Simon out and all the effort providing track changes for each sprint.
- Mike did a greaty job cleaning up the scoreshed. Thanks
- We still need to get a sign stating that helmets must be presented at scrutineering.
- Setup for the NISS R4 will be on the 4th June.
- With the numbers of 65's and 85's we might split the junior and senior classes at the next sprint.
- Larry is going to look into the roof we were going to build over the van, including an area around the BBQ to reduce wind.
- Dave to look into the price of a second quad.
- More plastic boxes required for canteen. – Simmo to organize.
- Spud suggested we charge riders extra if they don't have a helper on the day.
 - o Club members present couldn't come to a consensus, talk about it next meeting.
 - o Simmo to see if firies are interested in manning the canteen for a donation.
 - o At the next sprint we will have someone on the gate to the scoreshed getting people coming and going from signon, so hopefully our rosters are full before riders briefing.
- Spud also suggested we go with pre entries with payment.
 - o Not sure it will save club members much time as they would have more to do prior to events.
 - o At the next sprint we will split day licences off, to be done before the approach the signon table.
- Dave suggested we get some AMCC business cards with our website details to hand out.
- We will also look at adding a page to our website showing people how to get started racing with us.
