General Business:

There was a lot of discussion regarding the 2007 season;
Advertising needs to be addressed, need someone to actively market the club.
Plumbs are happy to steward for us, but we will need to pay them for this service.
Fees need to increase as we are just breaking even.
We need to look at other ways to generate income.
Senior numbers are down?
New track for 2007 may attract riders back.
Maybe another senior grade?
Training days?
We need someone to run the canteen.

If anyone has a motorbike in the shed, we are always happy to have extra marshals.
