If a tie on points occurs for any position in an event which is conducted over more than 1 leg, the tying competitor who has the higher finishing position in the final leg of the event will be awarded the position.

▪ **Tie at the end of a series**

If a tie on points occurs for any position in a series, the tying competitor who has the greatest number of higher places in the series will be awarded the position.

- **DNF**
 - If a rider completes 75% of racing for the day then he gets points.
 - If he does not complete 75% then no points are awarded.
 - Bearing in mind they must complete a minimum of 75%
 - ie if there are 5 heats (75% = 3.75) they must complete 4.

- **Examples**

- **Grass Track event**
 - If a rider finished 2 out of 3 heats, they will DNF.
 - As we only have 3 heats, a rider must complete all 3 to claim points.
 - You are a finisher if you cross the line after the chequered flag is displayed, even if you've been lapped by other riders.

- **Sprint Series event**
 - Any heat not finished the rider gets the lowest time in his class + 100 seconds.
 - If a rider finishes 75% or more of the heats, then they are a finisher and the penalty time is added to the other heat times to determine placing and points.
 - If a rider does not finish 75% of the racing, they will DNF.
 - If we have 5 heats, a rider must complete 4 to claim points.
